

Town of Dayton

33 Clarks Mills Road

Dayton, ME 04005

Tel. – 207-499-7526 - Fax 207-499-2946

www.dayton-me.gov

TO: Dayton Residents & Businesses

FROM: Board of Selectmen – Scott Littlefield, Daniel Gay & Jarod Harriman

DATE: September 20, 2017

In an effort to reduce taxes the Board of Selectmen will be implementing some changes to the residential and commercial waste program in Town.

Effective November 1st, 2017:

Residential:

Each household will be limited to (2) 32-gallon barrels of household waste each week with unlimited barrels of recycling.

The current tipping fee to dispose of waste is \$74.50 per ton. For 2016-2017 the Town paid approximately \$57,000 in tipping fees. If each household recycled an extra 4 lbs per week there would be a \$17,000 savings on tipping fees.

The Board of Selectmen strongly recommends the use of barrels. Smaller barrels may be used for household waste but cannot exceed 64 gallons in total.

For pickup areas with multiple households barrels for waste **must** be marked with your street address.

Commercial:

Businesses will begin paying tipping fees for commercial trash.

Currently, the Town pays the tipping fees for commercial trash.

Businesses will be responsible for their own commercial waste disposal. Pine Tree Waste is the current contractor for the Town. However, businesses can use a hauler of their choice. A quote can be obtained from Pine Tree Waste by contacting Erica at (207)636-6034.

Recycling can be disposed of at the Transfer Station located on Rumery Road during scheduled hours of operation. FMI: www.dayton-me.gov.

Please direct any questions or comments to Angela Cushman, Treasurer/Selectmen Clerk, at either treasurer@dayton-me.gov or (207)499-7526 ext. 221.

ZERO-SORT® RECYCLING

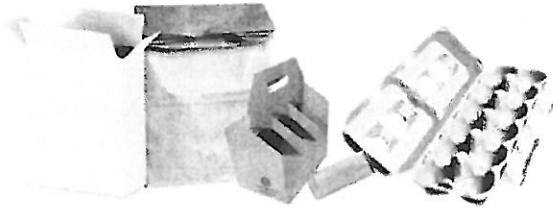

No sorting on your end makes recycling quick and easy! Just focus on tossing all Zero-Sort recyclables into one bin and Casella takes care of the rest.

Please **EMPTY** and **RINSE** all containers and **flatten** and **break down** cardboard boxes.
